

Keeping Kids Happy and Healthy in O'Fallon

Top-notch care for your children has never been more convenient, thanks to HSHS Medical Group Pediatrics.

Our board-certified physicians are committed to helping your children lead happy, healthy lives. The team offers everything from preventive health care to the diagnosis and treatment of acute and chronic diseases. It's patient-first care from birth through the college years.

For an appointment, call 618-206-2088 or visit [HSHSMedicalGroup.org](https://www.HSHSMedicalGroup.org) to schedule an appointment online.
